GreenSign Commitment

- We hereby confirm the compliance with the GreenSign Commitment, which we have signed and attached to the appendix.

The GreenSign Community consists of GreenSign certified hotels and a carefully selected partner network.

The GreenSign Community partner commits itself to sign and comply with the GreenSign Commitment.

- The membership begins on the date that the application is signed. Once the application is signed, GreenSign issues the first annual invoice for the membership.
- The membership has a minimum term of 24 months and is automatically renewed for 12 months each time, if no written notice of termination has been presented at least 6 months prior to the expiration of the existing membership term. The charges of the new membership term are based on the valid prices of the last possible termination date, which can be reviewed at any time on <https://www.greensign.de/partner/greensign-community-partner/>
- The exact membership components can be found online (<https://www.greensign.de/partner/greensign-community-partner/>).
- All prices are subject to the applicable statutory VAT (currently 19%).
- The terms and conditions of GreenSign Institut GmbH are valid, which are published online (www.greensign.de).
