

GreenSign Community

Our partner program

Become a partner of the GreenSign Community and use the network to reach out to sustainable hoteliers, restaurateurs and like-minded people. With its wide variety of certified hotels in all categories, our GreenSign Community is a pioneer for the industry. Through our various events, our podcast, numerous blogs, newsletters as well as trade fair appearances and presence in the media - online and offline - we would like to welcome you to this network and keep you up to date at all times. Take advantage of this unique opportunity to present your products or services to the right target group.
